

## DECLARATION OF COMPLIANCE

### TO WHOM IT MAY CONCERN

#### Regulation 2011/65/EU RoHS

According to the regulation 2011/65/EU (RoHS) electrical and electronic appliances, cables and spare parts may not be brought onto the market if they contain mercury, lead, cadmium or chromium(VI), and polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE).

We herewith confirm that the products produced and/or distributed by Kifa AG are made out of wood and are therefore not subject to that regulation.
